❖ COMING SOON: DENTAL HEALTH MONTH ❖

Gingivitis, halitosis, oronasal fistulas...what a mouthful! Let's take a bite out of dental disease together! Schedule an oral exam for your pet today, and enjoy 20% off all teeth cleaning and polishing in the month of February! All dentals include a complimentary goodie bag with items to help you maintain good oral health for your pet!

❄️ Snow Fun vs S'No-Fun ❄️

Much Too “Mush” Excitement

Dropping temperatures and blankets of snowfall can fill many of us with dread, but for Huskies, a winterized breed known for their sled steering “mushing” skills, there’s nothing better than a winter wonderland! Click below for a hilarious compilation of these snow dogs doing what they do best: staying cool!

[POV: You're a husky owner on a snow day](#) ❄️🐕🐾

Frostbite is “S-no-w” Joke!

Many dogs love to run and play in the snow—let’s make sure they can play all winter long by forming good winter habits: avoid ice, keep an eye on wind chill, and protect those precious paws from cracked pads and ice balls!

[Check out this helpful link from VCA Hospitals and learn how you can keep your furry family members safe this winter!](#) ❄️🐾🐕

January Pet Spotlight 🐶💕

January Pet Spotlight:
Woogie! (~1yr old, Neutered
Mix)

Woogie was rescued during the devastating flooding that followed Hurricane Helene last September, and his bravery during the flooding carried over into his exam last week! Woogie is all about treats, kisses, and hugs! We can't wait to boogie some more with Woogie!
